The following is an email received from Randa Rosenblum with Ideas Unlimited in Memphis:

“Dear Stacy & Chris: Words cannot adequately express my appreciation for you and your entire team! This was the best kept *Blues*

*Ball* and *Jingle Bell Ball* ever! I got lots and lots of compliments on your team that was on site for both events. They were thorough, pleasant, kind, friendly, helpful and very professional. They have the best attitudes in the world. I could not be more pleased. We are very fortunate, as a very small foundation, to have so many willing and wonderful partners to help us provide these great events to the Memphis community. Without you, it simply would not be possible.”

WONDERFUL Job to Latanya Brown, Richard Beckford, Sharon Cohen, Barbara Crawford, Sheila Delbridge, Janice Dickerson, Shuntria Fairs, Lisa Gatewood, Varnell Glenn, Kenny Griffin, Janice Holloway, Hakim Israel, Arthur Johnson, Javier Luna, Guillermo Ramirez, Eddie Smith-Ramirez, Oscar Smith-Ramirez, Margaret Ann Wheeler Jason Johnson, and Ricardo Cervantes.
